## AUDIT COMMITTEE CHARTER

(Effective March 3, 2021)

### I. Purpose

The primary function of the Audit Committee of the Board of Directors (the “Board”) of NorthEast Community Bancorp, Inc. (the “Company”) is to review: (i) the integrity of the financial reports and other financial information provided by the Company to any governmental body or the public, including any certification, report, opinion or review performed by the Company’s independent auditor; (ii) the Company’s compliance with legal and regulatory requirements; (iii) the independent auditor’s qualifications and independence; (iv) the performance of the Company’s internal audit functions, its independent auditors and system of internal controls and disclosure procedures regarding finance, accounting, legal compliance and ethics that management and the Board have established; (v) the Company’s auditing, accounting and financial reporting processes generally; and (vi) the preparation of information to be included in the Company’s annual proxy statement.

### II. Organization

The Audit Committee will be comprised of three or more directors, as determined by the Board, each of whom shall be “independent” under applicable Securities and Exchange Commission (“SEC”) regulations and NASDAQ listing standards specifically applicable to members of audit committees, free from any relationship that would interfere with the exercise of his or her independent judgement.

All members of the Audit Committee must be financially literate at time of appointment, meaning they must have the ability to read and understand fundamental financial statements, including the Company’s balance sheet, income statement and cash flow statement. At least one member of the Audit Committee shall be an “audit committee financial expert” as defined by the regulations of the SEC, and shall be designated and identified as such in the Company’s annual proxy statement, or the Company shall disclose as required by the SEC the reasons why at least one member of the Audit Committee is not an “audit committee financial expert.” The Company may designate and disclose more than one “audit committee financial expert” in its proxy statement. A person so designated and identified as an audit committee financial expert shall not be deemed as an “expert” for purposes of Section 11 of the Securities Act of 1933, as amended, nor shall such designation and identification impose on such person any duty, obligation or liability greater than those imposed as a member of the Audit Committee or the Board in absence of such designation and identification.

The members of the Audit Committee and the Chairperson of the Audit Committee will be elected by the Board on an annual basis.

The Audit Committee may form and delegate authority to subcommittees when appropriate.

### III. Structure and Meetings

The Audit Committee shall meet four times per year, or more frequently as circumstances may require. A quorum of the Audit Committee shall be declared when a majority of the appointed members of the Audit Committee are in attendance. The Committee Chairperson shall preside at the meeting and, in consultation with other members of the Audit Committee, will set the frequency and length of each meeting and the agenda of the items to be addressed at each meeting. The Committee Chairperson shall ensure that the agenda for each meeting is circulated to each Audit Committee member in advance of the Meeting. The Audit Committee shall meet periodically in separate executive sessions with executive management, the internal auditor and the independent auditor, and have such other direct and independent interaction with such persons from time to time as the members of the Audit Committee deem appropriate.

The Audit Committee shall maintain minutes of its meetings and records relating to those meetings.

### IV. Roles and Responsibilities
